NOTE—Contn sheet

Submitted to His Highness

In consequence of the retirement of Mr M B Srinivasiengar, Headmaster, Chikamagalur High School who was in the special grade Rs 250-25-450 and the promotion of Mr H R Krishnamurti, Lecturer Maharaja's College, from class Ciii to class Cii, the Inspector General of Education has made the following proposals -

Paper under disposal

(1) Mr B Vasudeva Rao M A to be appointed Headmaster at Chikamagalur on his own pay

(2) Mr S Krishnaswamiengar L A Assistant to the Inspector General of Education who is getting Rs 190 in class Ciii + 20(personal allowance) +90(local allowance) to be promoted to the special grade Rs 250-25-450 and to be given a local allowance of Rs 50

(3) Mr S Rama Rao B A drawing Rs 100 in class Civ (50-$\frac{10}{2}$-100) to be promoted to class Ciii (100-10-210) in place of Mr H R Krishnamurti promoted

(4) Mr S Ramanuja Iyengar B A who is drawing Rs 50 in class Di (30-4-50) to be promoted to class Civ vice Mr S Pama Rao

(5) Mr G S Subba Rao B A , Acting Headmaster, Anglo-Vernacular School, Tumkur, to be appointed to the Di class on the maximum pay

of the class (R 50) vice Mr Ramanuja Iyengar

2 With reference to the first of these proposals, it has to be noted that Mr Vasudeva Rao has nce been appointed Lecturer in English in the Maharaja's College The Inspector General will therefore be requested to make other proposals for the appointment of a Headmaster for the Chikamagalur High School

Par 5 g Note.

3 As regards proposal 2 I agree with the Second Councillor that the question of Mr Krishnaswa iengar's promotion may lie over for the present, as i was very recently that his emoluments were fixed as a present Besides the special grade of Rs 250-25-450 having been personal to Mr Srinivasiengar there is no question of filling up a vacancy in the sanctioned cadre

Par 5 g Note.

The promotion of Mr S Rama Rao from class Civ (proposal No 3) is agreed to by the Second Councillor The Inspector General's recommendation is to promote Mr Rama Rao to the Ciii class (R 100-10-210), but the Second Councillor suggests that the promotion may be to a grade Rs 100-10-150 as he has it under consideration to cancel the grade R 100-10-210 It is a point for orders whether the promotion should be

to any but the ordinary grades It has however to be noted that there are at present 3 or 4 appointments in the Education Department on Rs 100-10-150

5 As regards proposal No 4, the Second Councillor was of opinion that Mr M Subbaiya B A should be preferred to Mr Pamanuja Iyengar recommended by Mr Weir Mr Weir, in his D O No 10 dated 30th June 1911 gave reasons for preferring Mr Ramanuja Iyengar The Second Councillor has noted that there would probably be one more vacancy in class Civ in consequence of the appointment of an Assistant Deputy Inspector of Sanskrit Schools from this class and that both Messrs Pamanuja Iyengar and Subbaiya may be promoted to class Civ The additional vacancy referred to by the Second Councillor is proposed to be otherwise filled up and as it appears from the Inspector General's D O letter of 30th June 1911 that Mr Subbaiya has been long absent from duty on account of illness it is better to observe his work for some time more before promoting him The Inspector General's recommendation to promote Mr Ramanuja Iyengar to class Civ may therefore be sanctioned

6 As regards the last proposal, about Mr G S Subba Rao the Second Councillor has noted that

he has been appointed in another arrangement and may

To

C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to submit that, in my letter No 18/1 dated the 2nd July 1910 recommending the retirement of Mr M B Srinivasa Iyengar, I suggested that Mr B Vasudeva Rao, M A , who once acted as Head master in Chikmagalur may be appointed Head master permanently In confirming this proposal I recommend that the following arrangements be made to fill up Mr M B Srinivasa Iyengar's place,

(1) The special office grade of Rs 250-25-450 held by Mr Srinivasa Iyengar be retained for my Assistant who is now drawing Rs 180 - personal allowance Rs 30 - local allowance Rs 90 He may start in the grade on Rs 250 and retain a local allowance of Rs 50/- without prejudice to his increments During the time he has been in the office, he has fulfilled the expectations I had formed of him and this is the least that can be given to him for the position and responsibility, apart from his personal qualifications I would recommend that he be put in this grade from the date he joined office as Assistant to the Inspector General

(2) Mr B Vasudeva Rao M A , Assistant Master, High School, Tumkur be made Head Master, Chikmagalur on his own pay

(3) Mr S Rama Rao B A , Assistant Master, Maharaja's

College, pay Rs 100/- in Class C IV be promoted Class C III rendered vacant by the promotion of Mr H R Krishna Murti of the Maharaja's College to the next higher grade as sanctioned in Government Order No 5724-5/Edn 15-09-2 dated 5th January 1911 Mr Rama Rao, stands first in the list of educational officers of Class C IV and he well deserves the promotion recommended though belated His promotion may take effect from the date of Mr H R Krishna Murti's promotion

(4) Mr C Ramanuja I engar, B A , Assistant Master, Maharaja's College, Mysore, who is drawing Rs 50/- in Class D I since 6th July 1906 be promoted to Class C IV from date of promotion of Mr S Rama Rao He has done good work all along and was one of the very few masters in D I in the High Schools attached to the 1st grade Colleges

(5) Mr G S Subba Rao, B A , Acting Head Master, Anglo-Vernacular school, Tumkur be appointed Assistant Master in the High School, Tumkur in place of Mr B Vasudeva Rao, on Rs 50/- in Class D I set free by the promotion of Mr C Ramanuja I engar of the Maharaja's College, Mysore

I have the honour to be,

and is Senior to Mr. S Rama

entitled to preference.

Mr. M. Subbarayan of the
Maharaja's College stands second
in class D I (30-½-50) but
has longer service than Mr.
Ramanuja Iyengar. He is
also in charge the college
classes and perhaps is entitled

I am through to request the favour of

opinion views on the matter

The grant of the maximum

D O No 10

Office of the Inspector General of Education
in Mysore, Bangalore, 30th June 1911

Edn 311-10-3

Dear Sir,

In reply to your D O 10574 of the 24th instant, I have to state that the claims of the candidates referred were carefully considered before I made the recommendation

1 Mr Rama Rao began service in the Education Department on 10th April 1896 and reached the maximum pay of Rs 100/- on 1st August 1906 He has all along been doing good work in the Maharaja's College and was often called upon to do work in the College classes also

2 Mr Krishnaswamiah began service under the Bangalore Municipality on 15th June 1892 as Assistant Master in the then Bangalore Municipal School Since March 1895 he was Head Master of the same school till 1st July 1906, when it was converted into a Government Anglo-Vernacular School He reached the maximum pay

of

of Rs 100/- on 1st July 1905 During all this period he was connected with an Anglo-Vernacular School He has since January 1909 been an Assistant Master in the High Schools at Tumkur and Bangalore His work has not been on the whole so important as that of Mr Rama Rao, and it should be noted that he rose from 70 to 100 by annual increments of 10, thus reaching the maximum sooner than he would have done in the grade C 4

4 Mr Subbiah's services in the Education Department began on 14th December 1906 He was previously a clerk in the General and Revenue Secretariat from 15th February 1906 He has taken the following leave in addition to casual leave.--

(a) Three months' sick leave from 4th June 1907 in continuation of the Summer Vacation
(b) Six months' extension of sick leave
(c) Five months and 24 days' sick leave from 7th June 1909
(d) Nine months and 21 days' sick leave from 14th December 1910

Mr

Mr Subbaiya has been in receipt of the maximum pay of the grade Rs 50 since 14th December 1906 and draws a special allowance of Rs 30/- for his College work

4 Mr Ramanujaiyengar entered service on 6th July 1906 in the Maharaja's College and has since been on work drawing the maximum pay of the grade It was understood at the time of his appointment that his promotion to the grade would follow soon afterwards, although no such promise was made to him

5 Mr G S Subba Rao had been acting as Head Master of the Tumkur Anglo-Vernacular School He had been doing good work and I have found him quite up to the responsibilities of such a large institution In place of Mr Vasudeva Rao a good English hand is wanted Hence the special recommendation as Mr Subba Rao is likely to prove a good teacher of English and History subjects If a graduate on Rs 30 is to be appointed whatever be our needs it is clear that we shall have to appoint such graduates as may be available on the pay

whatever

whatever their actual worth for the teaching profession
There are many precendents for making the appointment
as proposed

Yours sincerely,

Inspector General.

14 The question raised here relates to the transfer of scales both in State Fund and Village Fund Schools although the instances in point have reference to two schools of the latter class This ultimately resolves itself into a simple question of audit convenience versus administrative convenience

15 It may be said at the outset that these transfers are made on a variety of considerations among which the inconveniencing of the audit is not one, as this inconvenience to the audit office implies equal inconvenience to the office of the Inspector General These transfers are necessary, as, in the present condition of rural education in the State it is not possible to work on a fixed schoolwar scale

1) Masters and Mistresses have to be transferred on grounds of public necessity or kept in the and the same place for departmental efficiency These cannot be denied legitimate chances of promotion

2) Schools do not always continue in the same state of efficiency and therefore do not demand the same scale of establishment

3) Sometimes the transfer of one master or mistress means also the transfer of the Master's wife or the Mistress' husband This cannot be brought about in accordance with any scale

4) In cases of temporary vacancies even it is not always possible to find new men to go to certain places on the salary available, while it proves easy to secure a man on full pay from an institution where one can easily be found to take up the post on the pay available To avoid these arrangements would mean the sacrifice of school efficiency to accounts convenience

16 Hence the elasticity desired This cannot be attained

y submitting proposition statements as suggested For if he proposition statement is to be of any use, the Government ught to have the power to disapprove This would imply Government approval as a pre-requisite for making the changes This means unnecessary work and delay If the submission of the statement is to be a mere formality why make the statement at all?

7 It is not correct to say that there is no Provincial scale There is such a scale for both the funds in the Budget orders of Government I am not aware of any occasion in this Department when a larger number of appointments were made and amounts drawn as in the Police Defalcation case referred to The Inspector General's office keeps watch upon this and sees that, as far as possible the scale is not exceeded

18 It is not true again that the audit office is not intimated when changes of scales are made Such intimations used to be given, but were discontinued since 1903 at the suggestion of the Comptroller himself conveyed in his Memo No 1 A D II 180 of July 1903

19 It seems, therefore, obvious that from the point of view of Educational efficiency and administrative convenience the present elastic arrangement is well designed as tested by years of actual work notwithstanding the theoretical accounts principles and a certain amount of undoubted inconvenience to the audit office It will be a root and branch remedy to attain audit convenience at the sacrifice of the efficiency of an administrative Department
